

HAIR AND MAKEUP

Stage makeup is required so that the dancer's face stands out onstage and so we can see their facial expressions.

Dance is an art of expression, and to see expression under heavy stage lighting, stage makeup is required. Our tiniest dancers should just wear whatever makeup parents feel comfortable applying, but at the minimum the blush and lipstick. *Boys please consult your instructor*. Please note for Picture Day makeup can be toned down a bit.

Please note that in the past we have used Covergirl Eye Enhancers #282 "daring nudes" and "plumberry glow" blush. We have changed the shades because these have been discontinued. If you still have these shades, you can use them instead of buying the new ones!

END RESULT

(Plus red lipstick)

Step 1: Apply foundation all over face with concealer.

Step 2: Apply a light brown color eyeshadow all over the eyelid.

Step 3: Apply a dark shade of brown on the outer side of the eyelid coming in towards the center.

Step 4: Apply black eyeliner along the top of upper eyelid, creating a small wing slightly upward. Add eyeliner along the lower lash line from the wing to the center of the pupil.

Step 5: If your child has light eyebrows, we suggest filling them in with a very light shade of brown. This is optional.

Step 6: Apply mascara to the top and bottom lashes, or apply false eyelashes.

Step 7: Apply blush on the apples of your cheeks and slightly upwards towards your temples.

Step 8: Apply lipstick.
