

ORDER FORMS

FLOWERS

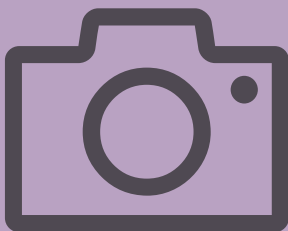

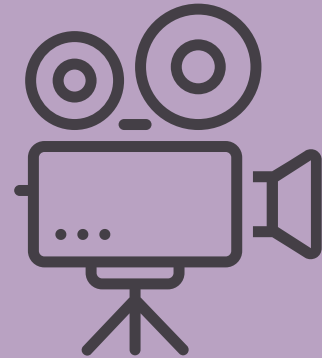

We have flowers available for pre-order to be picked up at the recital from a local florist. There will also be a limited supply of flowers for sale on-site at recital.

VIDEO

Media Creations will be recording both shows. You will have the option of ordering a DVD, BluRay (HD) DVD or a thumb drive. Please note that this is not the same company we went with last year. We used Media Creations in 2019 and were very happy with them!

PICTURE DAY PHOTOS

Kerry Merrill Photography will be doing our 2022 picture day photos. Please see the order form for purchase options. Attending picture day is free and highly encouraged as we display photos at recital. Ordering a package is optional but a wonderful keepsake. We ask that you order a package before ordering from the a la carte.

**If you have questions about the order form, please ask them PRIOR to picture day.*
