DRESS REHEARSAL NOTES

Dress Rehearsal is MANDATORY. **Students will need full hair, makeup, tights, and costumes for dress rehearsal (unless you are on the competition team).** Competition team students should wear costumes to practice quick changes. Please bring costumes covered to the high school and have students change on-site. Arrive no later than **4:15pm** for Dress Rehearsal with hair and makeup **done**, or earlier if you are planning to do hair and makeup at the high school. Girls will have access to the gymnasium to use as a dressing room. Boys may use the men's bathroom.

We will start with practicing the finale (which includes ALL students) at **4:30pm** sharp, and starting at **5pm** we will run through the entire show (see show order below). (Note, the finale will be at the end of the show on recital day, but we practice it first on dress rehearsal day so students may leave once they've practiced their dance). Only two adults are allowed to be with a student at dress rehearsal. This is not an opportunity for family members to watch the show.

*Please bring plenty of food and water for your child on both days.
